

TAX UPDATE

February 2021

Fees

All fees are due and payable upon completion of the tax return(s). Tax returns will be required to be paid for, prior to being couriered or mailed. Tax returns that are picked up at our offices can be paid for at reception. We accept cheque, cash or electronic money transfer.

Tax information submitted to us for tax return preparation after April 16th will incur an additional fee of \$50.

Tax Return Filing

For 2020 returns, we will be e-filing most personal tax returns in an effort to minimize the use of paper and improve our office efficiencies. Our experience has shown that tax returns which are e-filed result in quicker refunds, more timely assessments and do not incur a greater probability of audit. Any payments required for tax owing for a tax return that has been e-filed can be made with Form T7DR(A) which will be provided in your tax package or through CRA's website and the use of online banking via My Payment.

You will receive a summarized paper copy of your tax return, which will include the slips that would normally be sent to the government. You must keep the slips in case of a request from the Canada Revenue Agency ("CRA").

E-filing Your Returns(s)

The CRA requires that we obtain a T183 Authorization Form in order to electronically file your income tax return. Once your return is complete, you will receive a T183 Authorization Form in your tax return package. You must sign the authorization form and forward a copy to us immediately either uploading to **Onvio**, our client portal, or by fax at 519-578-6507. Due to time constraints, we do not recommend using regular mail; however, you may courier the form or deliver it to our office in person.

Referrals

We welcome referrals, so please feel free to pass our contact information along to family, friends and colleagues.

PLEASE ADVISE US IF YOU ARE A U.S. CITIZEN OR GREEN CARD HOLDER

Personal Income Tax Appointments

The majority of income tax returns can be prepared from your information slips. If you require assistance with summarizing your business or rental activities, please let us know and we can provide you with a summary template. When complex situations arise, we need adequate time to analyze and properly prepare your tax return, so if an appointment is necessary, please **book one before March 31st**. To book an appointment, please contact us. At this time, we are still trying to limit the number of people coming in and out of our office, so we would prefer to have meetings virtually or via telephone if possible.

Sending Your Information to Us

Tax slips and expense information may be sent to our office by mail, courier, or via **Onvio**, our client portal. If have not yet received an invitation to **Onvio**, please contact Nancy, nancy@hacockpc.com, so we can get you setup.

Please address your envelope or package to:

Engagement Letter

Civil penalties now affect the tax accountants and preparers, which relate to making false statements or omissions in relation to income tax or HST matters. These penalties are also listed on the CRA website at https://www.canada.ca/en/revenue-agency/services/forms-publications/publications/ic01-1.html. We have enclosed an engagement letter which outlines our involvement as the preparer of your 2020 tax return(s) and your responsibility as a taxpayer. Please read and sign the enclosed engagement letter and return it to us with your tax information.

What's New for the 2020 Tax Return

Many of the new items for the 2020 tax year relate to COVID-19 and have been included with our tax checklist.

Canada Training Credit (CTC) is a refundable tax credit that may be available to reimburse up to half of eligible tuition and fees associated with work-related training for individuals between the ages of 25 and 64. The maximum credit available in 2020 is \$250, based on \$500 of eligible expenses. There are certain conditions that must be met based on the 2019 tax year. If you would like more information on this credit, please let us know.

Digital News Subscription Tax Credit is a non-refundable tax credit based on up to \$500 of amounts paid for a qualifying digital news subscription (original written news content).

The Home Accessibility Tax Credit (HATC) continues to provide tax relief of 15% on up to \$10,000 of eligible expenditures incurred after 2015 (renovations to a qualified dwelling to enhance mobility or reduce risk of harm) per calendar year, per qualifying person (65 years or older or eligible for Disability Tax Credit).

Starting with the 2016 tax year, going forward, taxpayers will be required to **report the sale of their principal residence.** Please provide the following information: proceeds of disposition, address of the property and the year the property was acquired. There will be no tax implications on this disposition, provided that the property was used as a principal residence for all of the years it was owned by the taxpayer and it was not used to earn income.

Other News

The maximum **RRSP** contribution limit for 2020 is the lesser of \$27,230 and 18% of your 2019 earned income, plus any unused contribution room from prior years. If you are a member of a company pension plan, your limit is reduced by your pension adjustment which is reported on your 2019 T4 slip. The deadline for making **RRSP** contributions for the 2020 taxation year is March 1st.

The TFSA annual contribution limit remains at \$6,000 for 2021.

Taxpayers who owned foreign investment property costing more than \$100,000 at any time during 2020 are required to report this information to the CRA.

Foreign investment property includes bank accounts, shares of foreign companies, foreign bonds or debentures, investment real estate and interest in non-resident trusts. This reporting **must be done** by April 30th. Failure to report or file the required form may result in **significant penalties**.

Foreign investment property does **not** include personal-use property, that is, any property used mainly for personal use and enjoyment, such as a vacation property, jewellery, artwork, or any other such property.

Please contact us if the foreign property filing requirement applies to you.

Instalments

For individuals required to pay **instalments**, a reminder that the payment due dates for 2021 are March 15th, June 15th, September 15th, and December 15th.

If you are required to make payments, you should have received an instalment reminder notice from the CRA. You do not have to make instalment payments if your net tax owing is \$3,000 or less.

GST/HST Returns

Self-employed individuals with worldwide sales in excess of \$30,000 must collect and remit GST/HST. If you are required to file a GST/HST return for 2020, please ensure to inform us when providing your tax information. Please provide us with the gross revenue excluding GST/HST collected and the amount of GST/HST collected thereon separately.

Most educational institutions now provide the **Form T2202** online. This form is needed to claim the **Tuition** credit.
